

Host Families in Biarritz

We have host families of all ages and social backgrounds, but they all have one thing in common, their hospitality and friendliness!

We rigorously select each of our families and spends a great deal of time matching the person to the right family, which is why we appreciate as much information as possible regarding : personality, likes and dislikes...

Our families are located within 5-30 minutes from the BLS. Generally, there are one or two students of different nationalities per family, except during the summer period when this cannot be guaranteed. Accommodation is from Sunday prior to starting date of the course until the Saturday after the end of the

course. Please do not forget to send us full travel arrangements at least 2 weeks before arrival.

Under 18 form: This form concerns curfew times and medical incidents and must be signed by parents and returned at least 1 week before the student's arrival. Please note that curfew hours cannot be extended.

Student Charter: host families must respect quality standards so we also expect students to adapt and respect our host families. Please read, complete, sign and return the student charter before arrival.
